USI Athletic Teams

USI men and women athletes compete in a variety of spring and fall sports sanctioned by the NCAA at the Division II level and participate in the Great Lakes Valley Conference. In the 2011-2012 academic year, USI's student-athletes had a combined grade point average of 3.191.

Data for the following table is captured at end of spring semester and includes cumulative tabulation of athletic roster quality points divided by cumulative tabulation of credit hours per roster. For student-athletes who competed in fall but not spring (graduated in December or leave team/institution), their fall cumulative grade point average is considered as part of the overall team grade point average.
