

## Style

*I cried the cry that only those who have cried that cry would know.*

1. What does this sentence mean?
2. Rewrite this sentence (if you think it needs rewritten) to better adhere to *your* sense of style.
3. Why did you change it? What effects do your revisions have?
4. Rewrite this sentence in the style of a business memo.
5. Rewrite this sentence for a child.
6. Rewrite this sentence in jargony academic/technical-speak.
7. What features make the sentence interesting (you may refer to poetical terms here if you wish)?
