Report Volunteer Hours

We encourage all volunteers to keep track of their volunteer hours and report them through Volunteer USI. Those who give of their time should be sure to put it on their resume because volunteering actively shows that you understand the importance of giving and its value to the community. We ask that you regularly report your hours because we want to show our appreciation for your efforts and we also want the community to know how much time Volunteer USI volunteers give each year.

Volunteers are welcome to call the volunteer office at anytime to inquire about their total number of hours. Hours are recorded by the USI fiscal year from July 1 through June 30.

To record your volunteer hours, click "Report Volunteer Hours (/volunteer/report-volunteer-hours)" below. This link will redirect you to the Volunteer USI Orgsync page and report hours form. Hours can be mailed into the office or submitted online.
