

Happily married... after retirement

Welcome !!!

Objective & goal....
A practical approach to couplehood
in retirement years.

What goes on before and after retirement? (Measurable)

- Significance
- Time
- Interests
- Money
- Sex
- Health
- General appearance

Communication... deeper & not easily measured

Expectations: belief... anticipation

Perspectives: outlook, view, family hierarchy

Appreciations: thankfulness, acknowledgments, gratitude

Vulnerability: open to criticism... risky... courageous

Shame: something dishonorable... improper...unworthy

Empathy: personal identification, vicarious feelings

This is not a new topic....

What's in the news?

...we could be retired & together
for another 30yrs!

Where is the practicality?

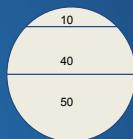

Living... WHOLEHEARTEDLY.... ↻
10% 40% 50%

Keep the fire going...Thomas Kincaid

Thankfulness....Joe Aaron

Don't let stress rule the day...Brooks

Work on your "life style of togetherness"

Grow old along with me! The best is yet to be, the last
of life for which the first was made. Our times in His
hands Who says: youth shows but half, Trust God.
See all...nor be afraid.
Robert Browning

It's time to get to work...no pun intended
