

SAB Meeting Minutes
October 3, 2018

Guest speaker from Public Safety Steve Bequette

- Student Questions:
 - Why there are no cameras in the washer/dryers in religious life
 - Money
 - Hopefully they will be in the plans for future
 - How to report theft?
 - Always call 911, but try to call public safety first
 - Have public safety's number on speed dial on your phone
 - Maintenance on blue security poles
 - Every month, sometimes can take longer
 - Safety of Burdette trail/how to be safe
 - Open from dawn to dusk
 - Let someone know where you will be if you go alone as well as an expected time to be back
 - Best to go with other people
 - Public Safety Escorts
 - Medical issues or feeling unsafe going back home
 - Extending buses' hours
 - Has been done in the past, not enough use to maintain
 - Is there a way to get to know our public safety officers
 - They are starting a ride along program where you can ride with them for a shift
 - Day in the life of a public safety officer is in the works
- Pepper spray is legal on campus
- Working on a student worker EMT program
- Really appreciate the videos public safety has been posting
- Annual security and fire safety report just released
 - Good resource if you have security questions
- If you have some ideas don't hesitate to call and share them

Guest speaker for next meeting

- Housing and residence life
- Make sure to come prepared with questions for next meeting

Updates on last meeting

- Things are in the works to do something with the chemistry lounge
- Places for charging stations
 - Second floor of ED
 - The link
 - Redwood lounge
- Discussion of new furniture for advising center
- There now is a printer in the advising center
 - Bring your own paper

Majors at home grant (Nov. 1)

- In the past we have gotten money for:
 - Pott talks
 - Pott thoughts
 - Award ceremony
- Potential uses for it this year
 - ASC is trying to get a women in science speaker in the spring
 - Toilet seat liners (Pott Protectors)
 - A thing on the doors of bathrooms so that you can open it with your foot
 - They are called toe poles
 - Might be able to use for PC3
 - Maybe set up a career mentoring program?
 - Have a mentor that has a job in your field of study
- Any other ideas get in touch with Dr. Bower

Student excellence awards

- Student from each program to go through all the applicants
- They aren't due until the end of the fall semester and pick the winners in the spring
- Establishing a committee, one person from each major

Other thoughts

- Golden signs that say the names of the buildings
 - A lot of them are broken/dirty/graffitied
 - Any way we could get them fixed or at least cleaned
- ASC won an award!
 - Every year to remain an ASC chapter they have to write a report with their goals
 - They won the national Commendable Award
- Biology lounge open house
 - Oct 19 from 1-3
- Pott college open house
 - If you are participating you should have gotten an email
 - November 3rd
- Medical Professional Academy will be here on Oct 16
 - If you want to help please email Dr. Bower
 - The second time MPA will be here will be November 16
 - More focused on research
 - Will be in the morning
- Geology majors have mandatory field trips that occur during the weekend that will affect their grade if they do not go
 - People work on the weekends
 - Geology 261
