

SAB Meeting Minutes

March 3, 2019

Excellence awards

- Will be announced on honors day
- Jessica coleman won leadership award
- American chemical society won service award
- Aly robbelroth won the dedication award

Student organization picnic

- April 17th from 4:30-6:30
- Winners of the excellence awards will be recognized
- There will be t-shirts and pictures
- There might be an award for the organization that has the most members show up
- The Spin, corn hole, frisbees
- Survey for the students to fill out to get feedback

Ambassador

- A few ambassadors made high school visits over spring break
 - Aly
 - Went well, talked to mostly seniors and juniors that were in STEM classes
 - There was a presentation for the classes and table outside of lunch
 - Kaitlyn
 - None of the students she talked to knew about USI, after the talk there was a lot of interest
- Ambassador email for next year will be sent out soon
- Google slides presentation
 - Still need some stories from chemistry, engineering, kinesiology, math, and especially if you are a part of PC3
- Plan to have a video for the program

Upcoming events

- SEE USI on March 30th from 8:30 – 12:15
- Medical professional academy
 - Thursday April 4th
 - Meet and greet with the students
- Last race of the running series
 - Saturday April 13th
 - Need volunteers for the race itself and set up before hand
- Academic Mentoring program
 - March 20th 5-7 in Ruston MPR

- Meet with STEM students and talk to them about classes (Academic mentoring program)

Women's speaking series

- April 11th
- A series to help women become more confident and tips for the workforce

Next year ideas

- Setting up a table in the SC or ED with prizes if students fill out a survey about improving Pott College
 - What do you like most/least
 - What do you like about the facilities, programming, etc.
 - Some open ended questions
 - There will be a QR code
 - Scale from 1 to 5
 - Email Josh if you want to help
- Community garden
 - Adopt a spot
 - Courtyard next to the forums
 - Empty plot of land in the back entrance to the ED
- Advising/resource center renovation
 - Trying to get matching funds
 - If the other money falls through there will be some minor changes but not everything will get done
- Put gravel on the trail in the woods
 - Will get done, just no timeframe (hopefully by the end of this semester)
 - There will be new lights
- Snapchat filter options for USI or Pott College
 - Make your face into an eagle or something
- A speaker from marketing as the last guest speaker
- Awareness about SAB, a lot of students don't know who we are
- Design center for engineering
 - Almost all the computer chairs are broken
 - Would like dual screens for the computers
 - 15 more monitors
- SAB pennants
- Have a study lounge that is accessible during the weekend with 24 access to a computer
 - Exclusivity for Pott College students
- Geology lounge
 - It is a classroom so it's pretty lacking compared to everyone else's
 - Newer chairs, printer
- Better seating in the labs

- Recycling bins
 - Have seen janitors put the recycling with the trash
 - University wide, on campus and in housing
- Furniture closer to the classrooms for when students have to wait outside
- Crosswalk in the parking lot of the SC where the speedbumps are put in
- Green tables outside education past red mango
 - the umbrella closed on a student
 - replace the umbrellas with a SAB or Pott College logos
 - new tables that are the criss cross ones so that they don't leave marks on your legs, pencils fall through
- Try to think of a signature event for the Pott College
 - game night with tri-state employers and give-aways
 - very relaxed
 - have some type of spring fest for Pott College?
 - Pott College could sponsor some type of event during Spring Fest
 - Pott Fest? On April 20th?
- Get some fresh ideas from other universities
-

Jules White is the speaker for next meeting

Next meeting is March 27th
