

University of Southern Indiana  
Alternative, IHE-based Report AY 2017-18  
Indiana

REPORT COMPLETE  
STATUS: CERTIFIED

## Institution Information

### ADDRESS

Pott College of Science, Engineering, & Education

8600 University Blvd

### CITY

Evansville

### STATE

Indiana

### ZIP

47712

### SALUTATION

Dr.

### FIRST NAME

Zane

### LAST NAME

Mitchell

### PHONE

(812) 464-1977

### EMAIL

zwmitchell@usi.edu

Is your institution a member of an HEA Title II Teacher Quality Partnership (TQP) grant awarded by the U.S. Department of Education?

<https://www2.ed.gov/programs/tqpartnership/awards.html>

- Yes  
 No

If yes, provide the following:

**AWARD YEAR**

**GRANTEE NAME**

**PROJECT NAME**

**GRANT NUMBER**

**LIST PARTNER DISTRICTS/LEAS (ONE PER LINE)**

**LIST OTHER PARTNERS (ONE PER LINE)**

**PROJECT TYPE**

- Residency**
- Pre-baccalaureate**
- Both Residency and Pre-baccalaureate**

## List of Programs

On this page, review the list of teacher preparation programs offered by your institution of higher education (IHE) or organization. If you submitted an IPRC last year, this list of programs is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to enter the programs in the appropriate reports. For the traditional report, list all traditional programs within the IHE. For the alternative report, list all alternative programs within the IHE. You may edit, delete, and insert new rows as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page. The system will automatically total the number of programs for you.

THIS PAGE INCLUDES:

>> [Program Information](#)

## Program Information

List each teacher preparation program included in your alternative, ihe-based route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at <https://www2.ed.gov/programs/tqpartnership/awards.html>.

Teacher Preparation Programs	Teacher Quality Partnership Grant Member?	Update
Post-Bac Multi-Grades	No	
Post-Bac Secondary	No	

**Total number of teacher preparation programs: 2**

# Program Requirements

On this page, review and enter information about the program requirements for admission into the program, program completion, and supervised clinical experience. If you submitted an IPRC last year, much of this page is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to specify the requirements in the appropriate reports. For the traditional report, provide the requirements for traditional programs within the IHE. For the alternative report, provide the requirements for the alternative programs within the IHE.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

## THIS PAGE INCLUDES:

- >> [Admissions](#)
- >> [Undergraduate Requirements](#)
- >> [Postgraduate Requirements](#)
- >> [Supervised Clinical Experience](#)

## Admissions

1. Indicate when students are formally admitted into your initial teacher certification program:

Postgraduate

If Other, please specify:

2. Does your initial teacher certification program conditionally admit students?

- Yes  
 No

3. Provide a link to your website where additional information about admissions requirements can be found:

<http://www.usi.edu/science/teacher-education/admission-policy>

4. Please provide any additional information about or exceptions to the admissions information provided above:

We make no exceptions.

## Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. ([§205\(a\)\(1\)\(C\)\(i\)](#))

1. Are there initial teacher certification programs at the undergraduate level?

- Yes  
 No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the rest of the page blank (or [clear responses already entered](#)) then click save at the bottom of the page.

Element	Required for Entry	Required for Exit
---------	--------------------	-------------------

3. What was the median GPA of individuals accepted into the program in academic year 2017-18?

3.577

4. What is the minimum GPA required for completing the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

2.75

5. What was the median GPA of individuals completing the program in academic year 2017-18?

2.98

6. Please provide any additional information about the information provided above:

na

## Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2017-18. ([§205\(a\)\(1\)\(C\)\(iii\)](#), [§205\(a\)\(1\)\(C\)\(iv\)](#))

[Additional guidance on reporting supervised clinical experience and nonclinical coursework.](#)

Average number of clock hours of supervised clinical experience required prior to student teaching	60
Average number of clock hours required for student teaching	560
Average number of clock hours required for mentoring/induction support	0
Number of full-time equivalent faculty supervising clinical experience during this academic year	8
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	372
Number of students in supervised clinical experience during this academic year	703

Please provide any additional information about or descriptions of the supervised clinical experiences:

The number of supervising adjunct faculty includes cooperating teachers. Therefore the number is large. We don't separate the post-bac students from the traditional students. Therefore we can't disaggregate the faculty. All teacher candidates participate in field experiences that provide robust opportunities to develop effective practitioners. In sequenced, field-based experiences, candidates integrate theory into practice, develop and test classroom management and pedagogical skills, hone their use of evidence in making professional decisions about practice, and integrate the standards of their professional community into their practice. Field experiences in all teacher education programs are classified as exploration phase, analysis phase, or synthesis phase. As candidates progress through the phases, they become more skilled and confident in the areas of planning, instruction, assessment, and reflection. The first two phases of the Teacher Education Program are the exploration and analysis phases. In the exploration phase the emphasis is on student development and growth. In the analysis phase, candidates are placed in P-12 classrooms where they are involved in observation, one-to-one instruction, or whole class teaching. The teacher candidates in the exploration and analysis phases are evaluated by either the site coordinator or the licensed classroom teacher. The third and final phase is synthesis which is a semester-long student teaching experience. Candidates co-teach with a licensed teacher and are evaluated by both the licensed teacher and a university supervisor. The university supervisor makes multiple site visits to observe, conference, and conduct informal evaluations in anticipation of the summative assessment.

# Enrollment

THIS PAGE INCLUDES:

>> [Enrollment](#)

On this page, enter the number of candidates for an initial teaching credential who are enrolled in the initial teacher preparation programs within your institution of higher education (IHE) or organization. **Do not** report on the total number of students enrolled in the entire IHE. **Do not** include individuals who currently hold a teaching credential and are seeking additional licenses or endorsements, or individuals preparing for school-based careers other than classroom teachers (e.g., administrators, guidance counselors).

The Department recognizes that in many cases, candidates voluntarily report their race/ethnicity and gender data, and that in some cases, candidates may choose not to report this information. Please report on the race/ethnicity data you have available, though the data may not be complete. It is not expected that the sum of the enrolled students reported by race/ethnicity or by gender will necessarily equal the total number of students enrolled.

If your IHE offers both traditional and alternative programs, be sure to enter the candidates enrolled in the appropriate reports. For the traditional report, provide only the candidates enrolled in traditional programs within the IHE. For the alternative report, provide only the candidates enrolled in the alternative programs within the IHE.

After entering the enrollment data, save the page using the floating save box at the bottom of the page.

## Enrollment

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

### [Additional guidance on reporting race and ethnicity data.](#)

Total number of students enrolled in 2017-18	<input type="text" value="3"/>
Unduplicated number of males enrolled in 2017-18	<input type="text" value="2"/>
Unduplicated number of females enrolled in 2017-18	<input type="text" value="1"/>

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. ([§205\(a\)\(1\)\(C\)\(ii\)\(H\)](#))

2017-18	Number Enrolled

3

Two or more races

0

## Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

### THIS PAGE INCLUDES:

- >> [Teachers Prepared by Subject Area](#)
- >> [Teachers Prepared by Academic Major](#)

## Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2017-18. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

[Additional guidance on reporting teachers prepared by subject area.](#)

### [What are CIP Codes?](#)

## Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2017-18. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

[Additional guidance on reporting teachers prepared by academic major.](#)

### What are CIP Codes?

## Program Completers

On this page, enter the total number of individuals who completed the program in AY 2017-18 and the two prior academic years. If you submitted an IPRC last year, the number of program completers for the two prior academic years are pre-loaded from your prior year's report.

A program completer is a person who has met all the requirements of a state-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the state for initial certification or licensure may not be used as a criterion for determining who is a program completer.

An individual cannot be classified as both enrolled and as a program completer at the same time. An enrolled individual is not a program completer. Once an individual has met all the requirements of a state-approved teacher preparation program and becomes a program completer, the individual is no longer classified as enrolled.

After entering the program completers, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

[>> Program Completers](#)

## Program Completers

Provide the total number of teacher preparation program completers in each of the following academic years.

2017-18	<input type="text" value="1"/>
2016-17	<input type="text" value="2"/>
2015-16	<input type="text" value="3"/>

# Annual Goals

On this page, review the annual goals in each subject area listed below. If you submitted an IPRC last year, the goals you entered last year are pre-loaded from your prior year's report. Please respond to the questions to report on progress towards the goals, and set new goals for the next academic year.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

## THIS PAGE INCLUDES:

- >> [Annual Goals - Mathematics](#)
- >> [Annual Goals - Science](#)
- >> [Annual Goals - Special Education](#)
- >> [Annual Goals - Instruction of Limited English Proficient Students](#)
- >> [Assurances](#)

## Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

### Academic year 2017-18

1. Did your program prepare teachers in mathematics in 2017-18?

- Yes  
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in mathematics in 2017-18?

2

3. Did your program meet the goal for prospective teachers set in mathematics in 2017-18?

- Yes  
 No  
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

We encourage students who graduate with a degree in mathematics to return as a post-bac student and complete the education requirements. Grant funded scholarships are available.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Increase advising efforts

6. Provide any additional comments, exceptions and explanations below:

We secured a grant to offer tuition incentives and other professional activities for students who have a degree in mathematics and wish to pursue licensure.

### Academic year 2018-19

7. Is your program preparing teachers in mathematics in 2018-19?

- Yes  
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in mathematics in 2018-19?

2

9. Provide any additional comments, exceptions and explanations below:

We encourage students who graduate with a degree in mathematics to return as a post-bac student and complete the education requirements. Grant funded scholarships are available.

### Academic year 2019-20

10. Will your program prepare teachers in mathematics in 2019-20?

- Yes  
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in mathematics in 2019-20?

2

12. Provide any additional comments, exceptions and explanations below:

We encourage students who graduate with a degree in mathematics to return as post-bac students and complete the education requirements. Grant funded scholarships are available.

## Annual Goals - Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in science in each of three academic years.

### Academic year 2017-18

1. Did your program prepare teachers in science in 2017-18?

- Yes  
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in science in 2017-18?

2

3. Did your program meet the goal for prospective teachers set in science in 2017-18?

- Yes  
 No  
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

We encourage students who graduate with a degree in any of the sciences to return as post-bac students and complete the education requirements. Grant funded scholarships are available.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Increase advising efforts

6. Provide any additional comments, exceptions and explanations below:

We secured a grant to offer tuition incentives and other professional activities for students who have a degree in science and wish to pursue licensure. We will increase recruiting efforts.

### Academic year 2018-19

7. Is your program preparing teachers in science in 2018-19?

- Yes  
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in science in 2018-19?

2

9. Provide any additional comments, exceptions and explanations below:

We encourage students who graduate with a degree in any of the sciences to return as post-bac students and complete the education requirements. Grant funded scholarships are available.

### Academic year 2019-20

10. Will your program prepare teachers in science in 2019-20?

- Yes  
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in science in 2019-20?

2

12. Provide any additional comments, exceptions and explanations below:

We encourage students who graduate with a degree in any of the sciences to return as post-bac students and complete the education requirements. Grant funded scholarships are available.

## Annual Goals - Special Education

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in special education in each of three academic years.

### Academic year 2017-18

1. Did your program prepare teachers in special education in 2017-18?

- Yes  
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in special education in 2017-18?

3. Did your program meet the goal for prospective teachers set in special education in 2017-18?

- Yes  
 No  
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:

### Academic year 2018-19

7. Is your program preparing teachers in special education in 2018-19?

- Yes  
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in special education in 2018-19?

9. Provide any additional comments, exceptions and explanations below:

### Academic year 2019-20

10. Will your program prepare teachers in special education in 2019-20?

- Yes  
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in special education in 2019-20?

12. Provide any additional comments, exceptions and explanations below:

## Annual Goals - Instruction of Limited English Proficient Students

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in instruction of limited English proficient students in each of three academic years.

### Academic year 2017-18

1. Did your program prepare teachers in instruction of limited English proficient students in 2017-18?

- Yes  
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2017-18?

3. Did your program meet the goal for prospective teachers set in instruction of limited English proficient students in 2017-18?

- Yes  
 No  
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:

### Academic year 2018-19

7. Is your program preparing teachers in instruction of limited English proficient students in 2018-19?

- Yes  
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2018-19?

9. Provide any additional comments, exceptions and explanations below:

10. Will your program prepare teachers in instruction of limited English proficient students in 2019-20?

- Yes  
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in instruction of limited English proficient students in 2019-20?

12. Provide any additional comments, exceptions and explanations below:

## Assurances

Please certify that your institution is in compliance with the following assurances. ([§205\(a\)\(1\)\(A\)\(iii\)](#), [§206\(b\)](#)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

1. Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

- Yes  
 No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

- Yes  
 No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

- Yes  
 No  
 Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

- Yes
- No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- Yes
- No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- Yes
- No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- Yes
- No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

(1) USI has established relationships with school corporations within a sixty-mile radius of our campus. Administrators from the university and the school corporations meet periodically to discuss the needs of the local school corporations. We continually look for ways to partner. Clinical experiences are governed by a Memorandum of Understanding with each partner school corporation to identify the desired outcome of the collaboration for the cooperating school and the teacher education unit. (2) The systematic clinical experiences provided to candidates contribute significantly to making program completers classroom-ready. All teacher candidates participate in field experiences that provide robust opportunities to develop as effective practitioners. Our strong clinical component gives teacher candidates the opportunity to integrate theory into practice, to develop and test classroom management and pedagogical skills, to hone their use of evidence in making professional decisions about practice, and to understand and integrate the standards of their professional community. (3) na (4) All teacher candidates are required to take an introductory course in instructing exceptional students. (5) Currently candidates are briefly introduced to providing instruction to limited English proficient students in EDUC 221 Diversity and Equity in Education, a course required in all programs. We are in the process of developing a plan to include modules in other programs to address teaching limited English proficient students. (6) All licensure candidates are required to complete a course addressing equity and diversity in the education setting. A critical component of this course addresses the impact of socioeconomic status and the needs of students and families with low income. Primary criteria used when identifying partners for clinical experiences are Title I status and the socio-economics and demographics of the population served by the institution. (7) Our clinically based approach to teacher preparation provides prospective teachers with opportunities to explore providing instruction to students from low-income families and to teach effectively in urban and rural schools. Candidates are placed within schools throughout the tri-state area (SW Indiana, SE Illinois and NW Kentucky). These schools reflect the socio-economics and diversity of the communities within the urban, suburban or rural location in which they are located. Department policy mandates that teacher candidates have diverse field experiences. Candidates have ample opportunities to reflect upon and discuss their experiences in P-12 schools with their peers and their professors.

## Low-Performing

THIS PAGE INCLUDES:

>> [Low-Performing](#)

On this page, review the questions regarding your program's approval/accreditation and whether your program has been designated as low performing by the state. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

## Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program. ([§205\(a\)\(1\)\(D\)](#), [§205\(a\)\(1\)\(E\)](#))

1. Is your teacher preparation program currently approved or accredited?

- Yes  
 No

If yes, please specify the organization(s) that approved or accredited your program:

- State  
 NCATE  
 TEAC  
 CAEP  
 Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

- Yes  
 No

# Use of Technology

THIS PAGE INCLUDES:

>> [Use of Technology](#)

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

## Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. ([§205\(a\)\(1\)\(F\)](#))

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction

Yes  
 No

- b. use technology effectively to collect data to improve teaching and learning

Yes  
 No

- c. use technology effectively to manage data to improve teaching and learning

Yes  
 No

- d. use technology effectively to analyze data to improve teaching and learning

Yes  
 No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

Throughout our teacher preparation programs, candidates are introduced to using technology in meaningful and appropriate ways to facilitate learning. For example, in several courses candidates are required to use presentation software such as PowerPoint and Prezi as a visual organizer of presentations. In other classes, candidates use Web 2.0 tools such as TitanPad, Glogster, Weebly, Webnode, Thinglink, Padlet, Wordle, Animoto, Smilebox, Today's Meet, Popplet, Masher, Google Earth, Meograph, OneTrueMedia, and FlixTime as well as podcasts, Voice Thread and Skype. Candidates explore multimedia book reports using Windows Live Movie Maker or iMovies. All education classes are equipped with projectors, document cameras, and multiple computers. Many also have SmartBoards/Prometheon Boards. Candidates are introduced to MS-Excel as a data gathering and analysis tool. They learn to create digital checklists that can be accessed through tablet and handheld devices to document student learning during instruction. Content areas also implement the use of appropriate technologies in instruction. Teacher candidates have multiple experiences using technologies (such as ipads with appropriate applications, science probes) as students in the university learning environment.

# Teacher Training

THIS PAGE INCLUDES:

>> [Teacher Training](#)

On this page, review the questions about how your program trains general education teachers and special education teachers. For the purposes of these questions, general education teachers means those who are not specifically prepared as special education teachers. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

## Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.  [\(§205\(a\)\(1\)\(G\)\)](#)

1. Does your program prepare general education teachers to:

a. teach students with disabilities effectively

- Yes  
 No

b. participate as a member of individualized education program teams

- Yes  
 No

c. teach students who are limited English proficient effectively

- Yes  
 No

2. Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

All teacher candidates are required to take a course that explores multiple perspectives on special education, a discussion of contemporary issues, and opportunities for inclusion pedagogy. Faculty in each program area have studied models for incorporating strategies for teaching students who are limited English proficient and are integrating strategies in the current curriculum.

3. Does your program prepare special education teachers to:

a. teach students with disabilities effectively

- Yes  
 No  
 Program does not prepare special education teachers

b. participate as a member of individualized education program teams

- Yes

- No
- Program does not prepare special education teachers

c. teach students who are limited English proficient effectively

- Yes
- No
- Program does not prepare special education teachers

4. Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Our Post-graduate program does not prepare special education teachers.

## Contextual Information

---

On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

>> [Contextual Information](#)

## Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

The post-baccalaureate option is not available for early childhood, elementary or special education. Degree-holders who wish to be licensed in early childhood education, elementary education or special education must complete a second baccalaureate degree with the appropriate major. The University of Southern Indiana offers the following post-baccalaureate option to a baccalaureate graduate who wishes to teach secondary (grades 5-12) or all-grades (grades P-12) in a field that is the same as his/her major (e.g. a person with an undergraduate major in mathematics and he/she wishes to teach mathematics). Teaching fields for which this program is available include: • Biology/Life Science (grades 5-12) • Chemistry (grades 5-12) • Earth/Space Science (grades 5-12) • English/Language Arts (grades 5-12) • French (grades P-12) • German (grades P-12) • History (grades 5-12) • Mathematics (grades 5-12) • Physics (grades 5-12), • Spanish (grades P-12) • Visual Art (grades P-12) Those who do not have the equivalent of an undergraduate major in one of these fields must pursue a second degree with the chosen content major and an education minor. This non-degree program includes traditional day-time courses and extensive fieldwork that can only be completed when P-12 schools are in session.

## Supporting Files

No files have been provided.

You may upload files to be included with your report card. You should only upload PDF or Microsoft Word or Excel files. These files will be listed as links in your report card. Upload files in the order that you'd like them to appear.

# Report Card Certification

Please make sure your entire report card is complete and accurate before completing this section. Once your report card is certified you will not be able to edit your data.

## Enrollment Confirmation

Total Title II enrollment from Section I: Program Information, Enrollment is **3**.

Number of program completers from Section I: Program Information, Program Completers is **1**.

For a total enrollment of **4**.

## Certification of submission

I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the *Higher Education Opportunity Act, Title II: Reporting Reference and User Manual*.

NAME OF RESPONSIBLE REPRESENTATIVE FOR TEACHER PREPARATION PROGRAM:

Dr. Bonnie Beach

TITLE:

Associate Dean, Pott College of Science, Engineering, and Education

## Certification of review of submission

I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the *Higher Education Opportunity Act, Title II: Reporting Reference and User Manual*.

NAME OF REVIEWER:

Dr. Zane Mitchell

TITLE:

Dean, Pott College of Science, Engineering, and Education
