

SAB Meeting Minutes

November 13, 2019

Interior design discussion

- Andrea - University interior designer
- Upcoming projects
 - Arena/PAC Phase II
 - Complete renovation of the PAC
 - New lobby and weight room
 - Locker rooms for every sport on campus
 - New athletic training room and visitor locker rooms
 - Bigger equipment storage
 - The courts are staying, but getting slight rehab
 - Second floor – small student spaces (similar to third floor of HP)
 - Opening up the PAC court – more visuals
 - Third floor – faculty offices
 - There will be a lactation/wellness room on the third floor as well
 - Aquatics center/Natatorium
 - North side of the REC
 - 11 lane pool
 - Will be able to have a swimming and diving team
 - Hot water spa area for swimmers
 - Access from the REC to the Aquatics center
 - When not hosting an event there the lobby will have ping pong tables
 - Lobby is above the pool
 - New wellness center
 - Religious life, clinic, and counseling center
 - Located on south side of the REC
 - Renovations to the HP
 - plan on having it renovated over the next 5-6 years
- open discussion
 - Disc golf will remain untouched
 - Men's restrooms lack changing stations
 - Please give feedback of specific areas that need them
 - There is talk about having a parking garage on campus, but won't happen in the near future. Maybe in the next 5-7 years
 - Education center
 - Priority this year was library lower level so next year will focus on education center
 - Booth seats in the library are awesome, we would like to see more of them on campus
 - Maybe see some of them on the second floor of the ED
 - Would like outlets in the floor or in tables so students can charge their laptops
 - Outlets in the lobby area of the second floor of OC

- Wireless charging table in library was extremely slow
- ED 1101 – needs new chairs
- Chairs in forums II and III are way too close together
 - Take out the swivel chairs, please
 - In the next three years the forums are projected to be renovated
 - Over Christmas break they are taking out the next two levels of chairs and replacing them with four-legged chairs
- Chairs with a hinge in them that makes you lean really far back, we hate them, please replace them
- Calculus computer labs in the third floor of the SC the lights will flicker
- Would like more writing surfaces than lounge furniture in the ED floors
- People want more plants in buildings
- Put the carpet hexagon things in the second floor of the ED
 - They really brightened up the SC
- See something else going in the quad
 - Make it more interactive
 - Split it in half so we still have an open space
 - It's the center of campus, it should be a focal point, not just an open field
- Trail going through the middle of the quad
- Maybe have some outside furniture around the pathway in the quad
- Would like to see a small track where you can run/sprint
- 10 year plan is to have a track and soccer where the rugby field is
- Would like to have another dining area closer to the dorms
 - Might include something in the new wellness center
- Other universities have restaurants in all the building, would like to see something like that here
- Turf in the quad?
 - Super expensive
- Tired of complaints about the north and south sliding doors in the library
