

Master of Health Administration (MHA)

This program is designed for individuals who have a bachelor's degree from an accredited university and want to become a leader in the healthcare field. USI's MHA is delivered online and is flexible for working adults. Student participation is required during **one** annual leadership conference per program, either virtually or on USI's campus.

PROGRAM HIGHLIGHTS

- All courses are offered online and are convenient for working adults.
- There are six enrollment and start dates throughout the year!
- Annual leadership conferences are offered for networking and further learning opportunities.
- Study abroad opportunities to Germany are available through the USI-Osnabrueck partnership!

100% ONLINE

PROGRAM DELIVERY

Courses within the MHA are offered entirely online using a learning management system. Access to a reliable computer with internet is required. The annual leadership conference, that must be attended once per program, has the option to be attended online.

HOW YOU WILL BENEFIT FROM THE PROGRAM

Our affordable and convenient program will prepare you for leadership roles in the healthcare industry. Graduates will become leaders that will strive to provide high-quality, cost-effective and accessible healthcare in their communities.

MHA

PROGRAM CURRICULUM

The Master of Health Administration requires 39 graduate credit hours. Courses within the MHA program range between one and three credit hours, and each are seven weeks long.

Students can expect to complete the 39 credit hour program within two academic years.

Courses are designed using the Quality Matters Rubric Standards based on best practices and research for course design.

APPLY TODAY!

Visit our website at usi.edu/online-mha to inquire about the program and speak to an MHA representative.

We are on a rolling admissions basis, so you can apply at any time with our convenient multiple start dates throughout the academic year!
