

## **Registered Respiratory Therapist to Bachelor of Science in Respiratory Therapy (RRT to BSRT)**

The online respiratory therapy degree completion program allows practicing Registered Respiratory Therapists with the NBRC credential RRT to earn a Bachelor of Science in Respiratory Therapy through 100% online course work.

### **PROGRAM HIGHLIGHTS**

- All courses are offered online and convenient for working adults
- Seven-week courses with multiple enrollment and start dates
- Opportunities for validation of courses are available through the board certification

---

# 100% ONLINE

---

### **PROGRAM DELIVERY**

Courses within the RRT to BSRT Program are offered entirely online using a learning management system. You will need access to a reliable computer with internet.

### **HOW YOU WILL BENEFIT FROM THE PROGRAM**

Our affordable and convenient program gives you control over your schedule. Expand your knowledge from your RRT education. Our RRT to BSRT will help advance your career, while increasing your earning power.

# RRT to BSRT

## PROGRAM CURRICULUM

The online RRT to BSRT has the ability to be completed within four semesters or less, contingent upon transferred courses. All courses within the RRT to BSRT are seven weeks long. We will create an individualized plan of study that integrates your previously earned college credits from your RRT education.

## ADMISSION REQUIREMENTS

- Completion of an associate degree in a CoARC accredited respiratory therapy program and regional accreditation of the college or university
- Cumulative GPA average of a 2.3 on a 4.0 scale; students with a 2.0-2.29 will be considered on an individual basis
- RRT credential through the National Board for Respiratory Care (NBRC)
- Completion of the USI RRT-BSRT undergraduate application
- Submission of official transcripts from all colleges attended

*The USI RRT to BSRT program is accredited by the Commission on Accreditation for Respiratory Care (CoARC).*
