LEADING A 21ST CENTURY WORKFORCE

If you are interested in acquiring the skills essential to leading tomorrow's organizations and workforce, a bachelor's degree in management from the Romain College of Business will open the doors to a wide variety of managerial opportunities. Management skills are adaptable and can be utilized in nearly every sector of the economy.

Management classes at USI are creative, active and engaging, and our experienced faculty are here to support you every step of the way. You will study diverse areas of business, such as information systems, project management, business ethics, leadership, strategy, international business and human resource management. As a USI management graduate you are fully prepared for a successful career in both leading people and managing organizations – two crucial 21st century skills.

OUR ACCREDITATION

The University of Southern Indiana Romain College of Business is accredited in both undergraduate and graduate business and accounting programs from the Association to Advance Collegiate Schools of Business (AACSB).
