

**Pott College of Science,
Engineering, and Education**

Post-Master's Certificate in Educational Leadership and Administration

The purpose of the program is to transform leaders, organizations, and communities through focused, flexible study addressing real-world problems and issues. Academic study is connected to concepts, issues, and content that are familiar, understandable, accessible, and personally relevant to each student. In each course, students will apply learning in practical, real-life settings. The program of study includes a 24-credit hour program in administrative leadership that includes an internship.

100% ONLINE

PROGRAM DELIVERY

Courses within the certificate program are offered entirely online using a learning management system. You will need access to a reliable computer with internet.

HOW YOU WILL BENEFIT FROM THE PROGRAM

The program is designed to prepare P-12 educators for leadership roles in P-12 school corporations/districts with summer and fall admission cycles. P-12 education is a common theme throughout the program to prepare educators for entry as principals and assistant principals. Upon the completion of the 24-credit hour program, the passage of the required licensure test, and the required teaching experience, graduates may be eligible for an Indiana Building-Level Administrator License.
