Take advantage of a plan you won't find anywhere else

As a UnitedHealthcare® Group Medicare Advantage plan member, that means you get all the benefits we have to offer, including some great extras.

Annual Wellness Visit¹ and many preventive services at \$0 copay

An Annual Wellness Visit with your doctor is one of the best ways to stay on top of your health.

Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action.

You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns.

UnitedHealthcare® HouseCalls

Get a yearly check-in with a member of our licensed medical staff who will:

- Perform a head-to-toe exam, health screenings and answer your health questions
- Review your history and medications
- Send a summary of your visit to you and your primary care provider

A HouseCalls visit is designed to support, but not take the place of your doctor's care.

HouseCalls may not be available in all areas.

- Find a doctor or hospital that meets your needs and preferences
- Understand your diagnosis and explore treatment options
