

You control where your inheritance goes

Life changes, and so do your wants and needs. If something happens to you, make sure your beneficiary information reflects your current wishes.

Did you know?

The beneficiary designation on your account takes priority over your will.

Updating your beneficiary information is quick and easy to do

The good news is that it's easy to designate, change or confirm your beneficiaries.

- Go to **TIAA.org** to register and/or log in to your account.
- Once logged in, under the *Action* tab, choose *Add/edit beneficiaries*.
Note: You'll need a user ID and valid email address to sign up.
- From there, you can designate beneficiaries and select how much each should receive.

If you have questions or need assistance, visit **TIAA.org/public/support/faqs/beneficiaries** or call us at **800-842-2252**. For your protection, we cannot change your beneficiary information over the phone.

And remember, you can change your beneficiary information again at any time.
