

Bachelor of Science in Business Administration (BUAD)

Offered by the Romain College of Business at USI, the 100% online Bachelor of Science in Business Administration degree is designed to accommodate working adults.

The Business Administration (BUAD) program is offered on a flexible schedule allowing students to start any time in the year. In addition, the online BUAD is available in an accelerated format.

100% ONLINE

Program Delivery

Courses within the program are offered entirely online using a learning management system. Access to a reliable computer with internet access is required.

How You Will Benefit from the Program

A BUAD degree from USI prepares graduates to be successful in exciting and rewarding careers. Business occupations pay significantly better than the median annual wage for all occupations combined. In addition, compared to other occupations, business occupations are projected to grow faster in the coming years.*

Business professionals are employed globally by every type of organization in roles such as:

- Healthcare Management
- Entrepreneurs
- Project Management
- Business Operations Analyst
- Public Administration
- Independent Consulting
- Human Resources Management

BUAD

Program Curriculum

Along with meeting the University of Southern Indiana standards for graduation, students must complete the following in order to graduate from the Business Administration program:

- 31 hours of Business Core
- 9 hours of Business Administration Major Courses
- 15 hours in the General Business concentration

The University of Southern Indiana Romain College of Business is dual accredited from the Association to Advance Collegiate Schools of Business (AACSB). Fewer than 200 business schools worldwide have earned both accreditations.
