Bachelor of Professional Studies (BPS)

The BPS Degree Program is designed for working adults, military veterans, active-duty service members, and other adult learners. The Bachelor of Professional Studies empowers you to build on your prior knowledge that you have gained both inside and outside the classroom at an affordable and competitive rate.

Choose From One of Seven Options:

- Individual Studies
- Applied Studies: Crime and Justice
- Applied Studies: Cybersecurity
- Applied Studies: Early Childhood Education
- Applied Studies: Health Services
- Applied Studies: Organizational Leadership
- Applied Studies: Public Leadership

100% *ONLINE*

Program Delivery

Courses within the BPS Program are offered entirely online using a learning management system. You will need access to a reliable computer with internet.

How You Will Benefit from the Program

You will graduate with a bachelor's degree from an accredited university, gain new skills that can advance your career, create new job opportunities, and increase your earning power. The Bachelor of Professional Studies will be a degree that matters, no matter your age.

BPS

Program Curriculum

BPS students can choose one of the two pathways below:

- Major in Individual Studies, which is the most flexible pathway. Students work closely with the BPS advisor to create a plan toward degree completion.
- Choose an Applied Studies track, which have a common core of 21 credit hours (7 online courses), with additional requirements within one of six concentration areas.

"Earning my BPS degree has allowed me to grow and be a positive role model for my children."

Tammy Johnson, Senior Administrative Assistant, USI
