## USI BSN to DNP Curriculum Sequencing (Practice specialties CNS or NP) Fall 2019

## \*Specialty Clinical Courses assigned according to track: FNP, AGACNP, AGPCNP, PMHNP, AG-CNS Courses highlighted in blue require on-campus attendance. Essentials of Doctoral Education for Advanced Nursing Practice

I. Scientific Underpinnings for Practice 8
II. Organizational and Systems Leadership for Quality Improvement and Systems Thinking 9
III. Clinical Scholarship and Analytical Methods for Evidence-Based Practice 11
IV. Information Systems/Technology and Patient Care Technology for the Improvement and Transformation of Health Care 12
V. Health Care Policy for Advocacy in Health Care 13
VI. Interprofessional Collaboration for Improving Patient and Population Health Outcomes 14
VII. Clinical Prevention and Population Health for Improving the Nation's Health 15
VIII. Advanced Nursing Practice

**APRN Doctoral Level Competencies (Published Oct. 2017):** Patient Care, Knowledge of Practice (analyze, investigate, lead scholarship), Practice Improvement, Communication Skills, Professionalism, Systems-Based Practice (financial stewardship, healthcare policy, error reduction across systems), Interprofessional Collaboration, Professional Development
