

A TIAA Financial Essentials webinar

Money at Work 2: Sharpening investment skills

Knowledge is the best investment. Feel more secure in your savings strategy by verifying you're on the right track. And if you're off track, know what adjustments you need to make. Are you saving enough? Have you taken taxes into account? Do you have a financial plan—and have you thought about what retirement looks like?

We'll teach you how to plan your investments and help you hold on to as much of your nest egg as possible:

- Get to know your investing personality and how it could impact the way you allocate your assets.
- Check your savings progress. If you're not where you need to be, there are ways you can catch up.
- See what else you should consider—like taxes, inflation and what an ordinary day in retirement will look like.

Register today for this live webinar on Tuesday, November 9, from 3 p.m. to 4 p.m. (ET).
