MEDICAL AND RX

The University offers two medical plans for **non-Medicare eligible** retirees and dependents: Anthem Blue Access Buy-Up PPO Plan and Anthem Blue Access Core PPO Plan. Both plans' coverage for prescription drugs is certified as Creditable Coverage compared to Medicare Part D coverage. The Anthem Core and Buy-up plans will have no changes in premium or plan design for 2022.

**Please note that the Buy-Up Plan is only available to those retirees already enrolled in that plan.*

The University offers two plans for **Medicare eligible** retirees and dependents: The United Healthcare Buy-Up and Core Plans. Both plans are custom Medicare Advantage Plans created just for the University of Southern Indiana's retirees. The 2022 premiums will be lower, and the deductible has been lowered to provide better early coverage to retirees. In 2022 retirees will be able to choose between the United Healthcare Buy-up and Core Medicare Advantage Plans. You will receive a form from Amwins, it will list your plan and give you the option to change plans, if you check the box and send it in then you will change plans, if you do nothing, then you will not change plans.

The University has contracted with Amwins to administer the invoicing of premiums for retiree medical and dental plans. Should you have questions about your invoicing, please call Amwins at 1-855-345-7788.

****For families with members that are both Medicare and non-Medicare eligible the family will split. For example, Joe is 68 and his spouse Jane is 64, instead of Retiree and Spouse on Anthem Core, Joe will pay a single plan premium for United Healthcare Core and Jane would pay a single plan premium for Anthem Core.*

DENTAL

Great news for 2022: There are **no** changes to the dental plan design or premium rates for 2022.

FLU SHOTS
