## **Historic New Harmony: Heritage Artisans Days**

### **Heritage Artisans Days is going Virtual for 2022!**

During the week of April 18-22, we will bring you a new artisan each day to demonstrate their craft and talk about life in the 1800s via Zoom, free of charge. We will have three identical demonstrations each day, 9 a.m., 11 a.m. and 1 p.m. so, you can pick the time that is most convenient for your class schedule.

This is something you could do with your family especially if you are parents.
