University of Southern Indiana  
Ascension St. Vincent Evansville  
Deaconess Health System

# General Information

## Program Outcome

This seminar will engage participants with discussions of common ethical issues, dilemmas and challenges health professionals are facing in health care today.

Participants will gain increased knowledge of the ethical issues affecting health care and will be prepared to identify and approach ethical issues in their practice.

## Continuing Education Credit

In support of improving patient care, University of Southern Indiana Center for Health Professions Lifelong Learning is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), the American Nurses Credentialing Center (ANCC), the American Psychological Association (APA), and the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program to provide continuing education for the health care team.

As a Jointly Accredited Organization, the University of Southern Indiana Center for Health Professions Lifelong Learning is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. The University of Southern Indiana maintains responsibility for these courses.

Attendees will receive up to **6.0 contact hours** with completed program evaluation.

### IPCE CREDIT

*This activity was planned by and for the health care team, and learners will receive 6.0 Interprofessional Continuing Education (IPCE) credit for learning and change.*

The University of Southern Indiana is an approved provider of continuing education for several professionals licensed in the state of Indiana, including social workers, marriage and family therapists, psychologists, occupational therapists, occupational therapy assistants, and dental professionals.

### Health Facility Administrators

Health facility administrators will receive 6.0 clock hours for this program. The University of Southern Indiana has been approved by the Indiana Board of Health Facility Administrators as a sponsor of continuing education programs for health facility administrators (License #98000033A)

### Chaplains

The provider of this educational event has designed the program so that it may be considered by participants for use as continuing education as required by the Common Qualifications and Competencies for Professional Chaplains for those certified by the Association for Professional Chaplains, the National Association of Catholic Chaplains and the National Association of Jewish Chaplains.
